Re: September 5, 2002 Commission Meeting
Agenda Item #15

Dear Chairman Getman and Commissioners Downey, Knox and Swanson:

It has just come to my attention that all State agencies have been asked to submit a plan to cut expenditures by 20% in fiscal year 2003-04. Unfortunately, I am unable to attend your September 5th meeting to participate in this dialogue; therefore I am submitting this letter and ask that you take it into consideration during your deliberations and decision-making process.

As you are know, City Clerks serve as filing officers for campaign statements, as well as Statements of Economic Interests for designated employees. In reviewing the memo from Chairman Getman and Executive Director Krausse dated August 26, 2002 to the Commission, I would like to point out that cuts to some of these programs will certainly impact City Clerks in our role as filing officers. Rather than trying to address each program and area under consideration, I would like to focus on just a few areas where cuts would greatly impact me in my capacity as filing officer.

Hotline

During my tenure in the City Clerks profession, I have had numerous occasions to use this service. I used this service when budgets were tight and it was virtually impossible to get answers to questions in a timely manner. As you know, the regulations are very complicated and can be intimidating to anyone who is not familiar with them. With your toll-free number and technical assistance advice line, I do not hesitate to refer any of my filers (candidates or designated employees) to your hotline number for advice. I have heard nothing but positive comments from my filers when they call your toll-free number and they are able to get immediate answers to their questions. My own experience with the hotline has been nothing but positive and has certainly made my duties much easier. I have confidence that when I call I will be able to actually talk to someone immediately and the advice they provide will be accurate. The quality of the advice, as well as being able to receive it in a timely fashion is very crucial.

Outreach Program

While I have not participated in the Outreach Program, I am aware of several City Clerks who have participated. This program is invaluable and should be made available to anyone who serves in a filing officer role.

Filing Officer Training Programs and On-Site Seminars

I have attending training sessions and have hosted on-site seminars for local candidates. The seminars and information provided are invaluable to everyone who attends. I strongly encourage my candidates and treasurers to attend these seminars. I have heard nothing but positive comments about the quality, as well as the helpfulness, of the seminars.

I hope that you will take my comments into consideration and look for areas where cuts can be made that will not impact the services that you currently provide to City Clerks, as well as our filers. The services now provided by the FPPC are exemplary and you and your staff are to be commended for the improvements that they have made over the last few years. In order to preserve the integrity of the Political Reform Act it is imperative that these services remain intact as they are functioning today.

Thank you for your consideration.

Sincerely,
